Bob Lisbonne

Bob Lisbonne is a Venture Partner in Matrix Partner's Silicon Valley office. Bob led early stage investments as a general partner at Matrix Partners from 2001-2008. Prior to Matrix, Bob was a general partner at Crosspoint Venture Partners. Before becoming a venture capitalist, Bob was the Sr. VP and GM of the browser division of Netscape. Earlier in his career, Bob also held roles at Apple and Goldman Sachs. Bob currently serves on the board of the Mozilla Foundation and is the founder and CEO of start-up Pixazza.
