Dana Stalder

Dana Stalder is a Silicon Valley based general partner at Matrix Partners, where he invests in early stage software and internet companies. Dana's experience cuts across multiple disciplines including sales, marketing, finance, technology and product management at companies such as eBay, Netscape, PayPal and Respond.com. He has managed nimble ventures as well as 2,500-person teams. Dana joined Matrix in 2008 from PayPal, where he was a senior vice president and managed all business operations, including product, sales, marketing and technology. He is also a board member at iRise and QuinStreet.
